Reference Ultra Flip Swivel

Dear Sirs

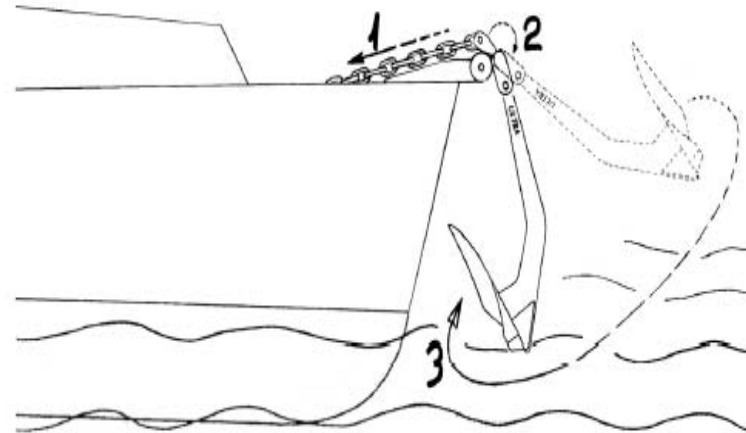

I just wanted to let you know your "Ultra Flip Swivel" really works great. I have tried it many times now and feel its safe to let my wife stow the anchor. It simplicity, in flipping the anchor over into the correct stowage position prior to being is pulled over the bow roller works every time. Again thanks for a great product.

I am also looking forward to picking up one of your Ultra Anchors at the Seattle Boat show this month. I was very impressed with the demonstration.

Yours truly
